# **Guided Reading:**Picture Book Studies

To foster a love of reading, we must discover incredible books.

- ★ Books that help us to become kind, empathetic, well-rounded individuals.
- ★ Books that make us laugh, make us gasp, make us stop and think, make us curious about the world in which we live.
- ★ Books that encourage us to become lovers of language, lovers of literature and readers for life.

#### THIS INCLUDES PICTURE BOOKS.

Feel free to adopt or adapt this overview to suit your learners' needs should you wish to include picture book studies as part of your approach to Guided Reading.

Each book selected is supported by a Picture Book Study pack.

## **Quality Texts, Quality Learning**

# A Catalyst for Connections

Each Picture Book Studies Overview has been carefully sequenced so that the developing reader can make important links between the books they consider.

Should you wish to swap out any of these books to cater for the needs of your children, you may find the following suggestions useful.

### **Quality Texts, Quality Learning**

#### **Overcoming Anxiety**

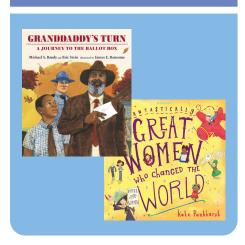

#### **Foe or Friend**

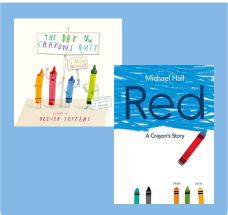

#### **Journeys**

#### **Democracy**

#### Identity

#### Love

#### **EDUCATE, ENCOURAGE & INSPIRE!**

For more inspiration about which books to choose for YOUR classroom, don't forget to visit The Book Nook: the place to enjoy, explore and enthuse about books.

And remember, if you love a book that isn't on my list, pass on your passion and go with that instead.

Happy reading folks!
